Juuce Smooth Enz
Juuce Rise n Shine
Juuce Shimmi

Apply **Juuce Smooth Enz** to clean, towel dried hair to smooth the ends. Hand dry hair to keep a wave in the style. Using a comb, tease the top section for volume. Roughly take a section from the top and pin it back, next take the side sections and pin back loosely. Apply **Juuce Rise n Shine** spritz over front to keep in place. The remaining amount of hair at the back should be lightly teased and held in a pony tail. Twist the hair clockwise around into a bun and bobby pin firmly. Use **Juuce Shimmi** to give the style shine.
