Oncology Children's Foundation

Element Hair cares and to prove that we do, we proudly support the Oncology Children's Foundation (OCF). OCF is an Australian charity dedicated to finding cures for specific childhood cancers with the lowest survival rates. They're committed to giving every child with cancer the opportunity to grow up and live their dreams. Part proceeds of all Element Hair's salon services for the months of June, July and August are donated to the [Oncology Children's Foundation](#) to help find a cure.

How can you help kids with Cancer? It's elemental. Call 9327 3701 to make your appointment and help us find a cure for kids with cancer.
