PÊCULIAR

Apparently the left and right sides of the brain denote rationale and whimsy. Sometimes we prefer safe and sometimes adventure. Maybe the tongue is similar. Lick here and see...

White

'16 Ephemera	Vermentino	Heathcote, VIC			55
--------------	------------	----------------	--	--	----

This little lady is here to surprise, everything that you wouldn't expect from your old pal Vermentino. A wonderfully textural and rich white with an unexpected and impressive fresh finish. The flavours and aromas are big on the almonds and daffodils, easy on the lime and grapefruit. There's heaps of complexity in each sip, there's so much going on here. Perfect Spring drinking if you ask me, one of their first releases and totally nailing it.

Red

'16 Little Reddie NEW! [served chilled]	Nebbiolo	Heathcote, VIC			65
---	----------	----------------	--	--	----

He's back and better than ever! Perfect red wine drinking for this changeable season we've had so far. Served chilled, this Neb takes you on a journey... light, crisp and refreshing to start, all the way through to the delicious savoury plummy end. Fine grippy tannins too, in my opinion, the best Little Reddie yet.

Magical Christmas Unicorn Beer

Bridge Road Brewers, VIC (330ml Bottle)_ 14.5

From our mates in Beechworth, a vanilla ice cream ale. With a magical unicorn on it. See above. Do I need to say anything else? 7.3%- 'Tis the season folks.

Boatrockers 'Yvonne', VIC (500ml Bottle)_ 28

Here we have a Belgian style Saison that has been aged in Chardonnay and Pinot Noir barrels. Yes please.

They have thrown in some wild yeast strains (brettanomyces) as well for some serious funk. It's golden, dry, tart and citrusy. Refreshing. It's like hanging with George Clinton on a summers day at the farm.

"We want the funk, gotta have that funk"
