Overview:

A Progressive Innovative Design Centre, where only the highest of industry standards are acceptable, continually in demand with steady growth since conception in 1985.

LOCATED in our own premises at 6-B Mecklem Street, Strathpine.

COMMITTED to professionally serving our clients in an ever increasing range of projects.

PREVIOUS PROJECTS range from:

MULTI RESIDENTIAL

A 93 Town House project at Strathpine, several 30 unit cluster housing projects, to multiple 2, 4, 6 & 10 unit developments.

DETACHED HOUSING

A 900m² dwelling nestled into the side of the mountain at Highvale commanding unequalled views over Samford Valley, to many hundreds of unique and innovative dwellings individually designed to their specific site and client requirements.

COMMERCIAL / INDUSTRIAL

A 2500m² Showroom / Warehouse at Virginia, to numerous 1 & 2 storey retail developments of varying sizes and styles. A \$5,000,000 Addition / Entry / 500 Seat Auditorium for an RSL Club.

PUBLIC BUILDINGS

An indoor sports complex for the Caboolture Shire Council, to many Sports Clubs, Medical Centres & Child Care Developments.

ADDITIONS AND ALTERATIONS

From small Patios and Pergolas to major House Renovations through to major and minor Industrial and Commercial Projects.
