## Why Choose Beyond Barriers Care?

At Beyond Barriers Care, the focus is on delivering high-quality services that are responsive to the changing needs of individuals and the community. The organization is committed to building strong partnerships with individuals, families, and the community to achieve shared goals.

## Service Description

### Support Work

Our trained professionals are here to assist with daily tasks, such as personal care, medication management, communication support, community access, domestic tasks, transportation etc.

### Support Coordination

We understand that navigating the NDIS can be overwhelming, and finding the right support can be a challenge. That's why we offer comprehensive support coordination services to help you.

### Psychology

Our team includes trained psychologists who can provide specialized care and support.

### High care supports

For clients with more complex needs, we provide high care supports to ensure they receive the level of care they require.

### SIL/SDA

Our SIL/SDA services are designed for people with disabilities who want to live independently, in a safe and comfortable environment.

### Skill development

We believe in the importance of ongoing learning and development, and offer support to help our clients build new skills and achieve their goals.

At Beyond Barriers Care, we are more than just an NDIS provider - we are a partner in your journey towards a better life.
