

Are you looking for shipping containers in Brisbane, Queensland or other States?

About us

BTF Services' mission is to provide clients with high quality new and used shipping containers at competitive rates.

BTF Services source a wide range of shipping containers, new, used, cargo worthy, refurbished, wind, watertight and vermin proof. This makes our containers ideal for storage and shipping, meeting all our clients personal and business needs.

We work closely with our supplier's obtaining the best competitive prices for our customers covering all industries, government departments and the general public.

We pride ourselves in personalised, professional and cost effective delivery.
