NEW: INTERNATIONAL TREATMENT NOW AVAILABLE IN AUSTRALIA
Revolutionary MUST HAVE treatment: "Cry Baby Semi-Permanent Mascara"

Cry Baby Semi-Permanent Mascara is a procedure that curls and coats lashes with our proprietary lash coating. This coating adds volume, length, curl and color to lashes, is 100% waterproof/smear-proof and lasts two weeks, *often longer*.

It's ideal for active lifestyles as well as special events like weddings and vacations. Better still, it's professionally applied by your technician and can be offered at a fraction of the cost of extensions. This new treatment is only available at eye on beauty.
