

HOW TO GET TO *Rangemore Estate*

Bed & Breakfast

Once you see the view from your verandah you will never want to leave. There are two types of B & B accommodation:

The Shiraz and *The Merlot* are single units ideal for a couple. Each has a private verandah, kitchenette and ensuite.

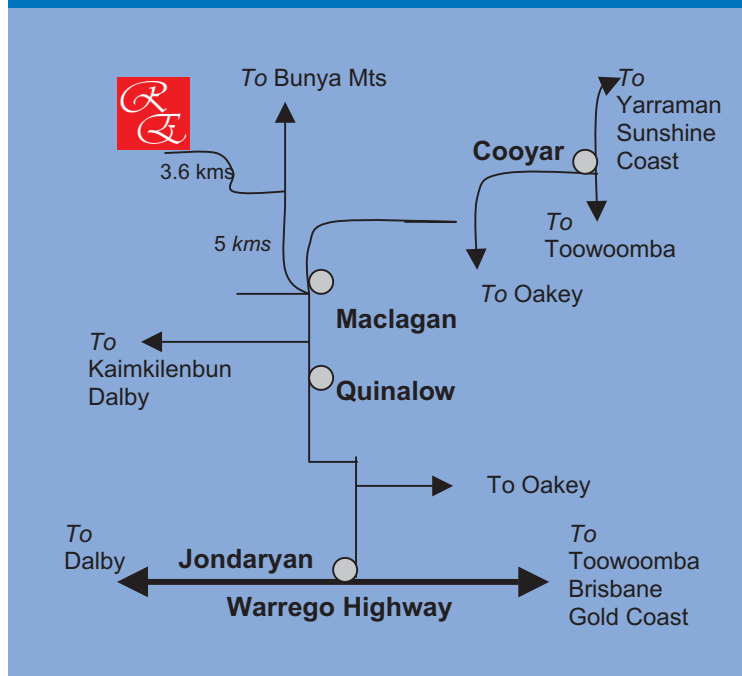

Verdelho Cottage with a cosy log fire is a three bedroom turn of the century cottage which sleeps up to six adults or a family. The cottage has full cooking facilities and linen and bedding are supplied.

Which ever option you choose we want you to relax and enjoy the view. A complimentary glass of wine on arrival will get your stay off to a relaxing start.

Breakfast is provided as a hamper for you to prepare or you can join in the cook up on the verandah at the Cellar Door.

Special midweek prices are available.

Camping facilities are also available.

Excluding Christmas Day, Anzac Day and Good Friday

Bed and Breakfast

Open 7 days

About Rangemore Estate

Rangemore Estate is a Grazing Property located 80kms North West of Toowoomba high up in the foothills of the glorious Bunya Mountains.

Rangemore Estate has a 10 acre vineyard established in 1999 by the Allen Family.

Wildlife & Farmlife

Whether you just want to enjoy them from the verandahs or get in amongst them Rangemore has an abundance of wild life and farmlife. The area is home to the pretty faced wallaby, koalas and echidnas and a wonderful array of birdlife.

Spotlighting for wildlife and visit to the neighbouring dairy farm at milking time and whip cracking are some of the must do activities available for guests of the B & B.

Cellar Door

The Cellar Door is an historic building previously used as Fire Brigade Quarters in Dalby. The Northern Facing Verandah allows you to enjoy some wine tasting or a light lunch while taking in the spectacular view of the Bunya Mountains. The interior is air-conditioned during the hotter months.

The Wine

To get the most intense fruit flavour characteristic we only provide minimal water to the vines. This coupled with our attention to detail and an excellent winemaker has allowed our wines to stand out.

The current plantings of Shiraz, Verdelho, Merlot, Cabernet, Sauvignon and Sangiovese are producing some award winning wines.

For further information on the current wines available refer to our tasting notes.

How to Order

You can order the wine at the Cellar Door, by phone, fax, email or through our website.

The Food

Light meals are available from the cellar door including brunch on Sundays. Local produce is used when in season and for something truly unique and local try our famous Goat Curry Pies.

The facility is also available for weddings and functions so please ring for further information.

Other Local Attractions

Bunya Mountains National Park (1/2 hr Drive)

The spectacular rainforest of the Bunya Mountains provides plenty of bushwalking opportunities. After your hike you can either dine at the Restaurant or we can provide a picnic to enjoy.

Also visit www.darlingdownsholidays.info

Other wineries

You may feel like a bit of a winery tour. Jimbour Station with its beautiful historical home and gardens is only a half hour's drive. Or for something a little closer, Rimfire is only 10 minutes by car.

Muntapa Tunnel

Not for the faint hearted, this disused railway tunnel is home to a colony of Bentwinged bats. This tunnel is the longest straight line tunnel built in Queensland.

Museums

If you are interested in Australian history the area host two excellent museums. Jondaryan Woolshed is an historical sheering shed only 35 kilometres from Rangemore Estate and Flypast Museum of Army Flying is located in Oakey.
