

POS SOLUTION  
for Cafes

DATE  
25 July 2014

TITLE  
Features & Advantages

Suitable for Cafes, Coffee Shops,  
Takeaway & on-the-go busy outlets,  
SASS™ for Cafes is an easy to use  
point of sale system solution.

We understand that the key to having a successful cafe business is serving more customers with limited resources. Our simple & easy to use point of sale system will save you time & money!

Sass & Co. will provide you with a complete & unique solution to perfectly suit your cafe business - delivering, in time & within budget, an end-to-end cafe software solution that includes the following modules:

- Point of Sale Software: a simple, easy to use and advanced software best suited for cafes & coffee shops.
- Waiter POS: Our tablet point of sale solution for waiters, staff and cafe managers will give you a wireless, reliable & effective solution and it won't cost you a fortune.
- Kitchen - Coffee Monitor: an intelligent application that can be installed in your kitchen or near your cafe machine to help baristas and optimize efficiency.
