

# Howard Park Wines

## About Us

For over 30 years, [Howard Park](#) has been one of Western Australia's pioneering family-owned wineries, specialising in the State's foremost grape-growing regions of Margaret River & the Great Southern. With vineyards in both regions, our wines have been handcrafted to champion the intricacies of our multi regional philosophy and to produce wine worthy of benchmark status.

## Our Products

[Howard Park](#) creates handcrafted wines using the highest quality fruit from carefully tended vineyards in the Margaret River and Great Southern grape growing regions. Calling two wine regions home has allowed Howard Park to be an Australian leader in crafting award-winning wines that each tell their own story with a distinctive focus. These include Cabernet Sauvignon, Chardonnay, Riesling, Pinot Noir and methode traditionnelle sparkling wine. View our full range of wines on our website.
