Introducing Tracy McGuire Clinical Psychologist

We are pleased to announce Tracy McGuire has joined Brisbane City Psychologists.

Tracy works with adult clients who present with a range of psychological concerns:

- Mood disorders
- Anxiety
- Phobias
- Substance use
- Personality disorders
- ADHD
- Developmental disorders.

Tracy specializes in the field of trauma and has extensive training and experience in:

- Eye Movement Desensitization Reprocessing (EMDR)
- Prolonged Exposure Therapy
- Schema Therapy
- Acceptance Commitment Therapy (ACT)
- Cognitive Behaviour Therapy (CBT)
- Dialectical Behaviour Therapy
- Mindfulness.

She completed her Applied Clinical Masters of Psychology Degree at Murdoch University Western Australia and continued her studies under an Australian Postgraduate Award Scholarship through a PhD, exploring the underlying processes and treatment outcomes for Post-traumatic Stress Disorder.

Tracy is registered to practice with the Psychologists Board of Australia. She is available to accept new referrals.
