E: gardenbags@therubbishremovers.com

"A weed is a plant that has mastered every survival skill except for learning how to grow in rows."

Doug Larson

"My neighbour asked if he could use my lawn mower and I told him of course he could, so long as he didn't take it out of my garden."

Eric Morecambe

TheRubbishRemovers.com

**Keep up to date with specials & new
www.facebook.com/TheRubbishRemovers**

GARDEN BAG DO'S & DONT'S

Your bag is perfect for green waste, palm fronds, pruning's, hedge trimmings grass clippings. NO dog-poo, soil, cardboard, papers or general rubbish. Disposal to Green Recycling.

BE AWARE OF THE WEIGHT

60kg max. If you stand in front of the bag and tug it, it should be able to move. The drivers need to move the bag onto a trolley!

BE AWARE OF THE HEIGHT

Ensure the bag is filled no higher than the frame. The drivers fold the flaps over to remove the bag from frame.

CAUTION

Sharp wire pins hold the bag in place. Do not allow children to remove these pins.
