

PLASTERFIX SOLUTIONS

Plaster and Render Repair

Holes in your Ceiling? Cracked or damaged cornice? Hardwall that's chipped and flaky? Old aircon unit left an ugly hole in your wall? Maybe you've just extended your house or built a wall and need it rendered to an existing wall?

Plasterfix Solutions specializes in small jobs that larger companies don't have time for. We repair...

- Sand finish render
- Hardwall plaster
- Drywall walls and ceilings
- Damaged bulkheads
- Old Air conditioner holes or recesses
- Old down light and ducting holes
- Damaged, fallen or separated cornice
- Electrical and plumbing chases

We even do...

- Small slabs or tile screeds
- Non-structural brick walls (bars, fridge recesses, Privacy walls, ECT.)
- Ceiling joist work

We are neat, respectful and clean up before we leave. Based in Swan View, get it done by a local.
