

Hayden Crawford - Energetic Healer

Hayden is a Reiki Master, Psychic Intuitive and Practitioner of Vibrational Medicine and has been assisting people with the rebalancing of their energy centres or 'chakras' since 2001.

Utilising tools such as Australian Bush Flower Essences, Pythagorean Numerology, Psychic Channelling, Crystals and Colour, Hayden is able to assist people to release blocked emotions and habits that are caught up in the outer causal bodies which may cause a person a variety of mental, emotional and physical imbalances.

He is also able to attune to the helpful guidance of loved ones in spirit during his healing consultations and is able to accurately assess an individual's life purpose, underlying cause to their symptoms and potential barriers to their success.

Some benefits of an energetic healing will include:

- The rediscovery of your true life's purpose and direction.
- Reduced anxiety, depression, guilt, grief, worry, fear, anger, jealousy, resentment, hatred and obsessive thought patterns.
- Pain relief.
- Renewed enthusiasm, perseverance, endurance, inner strength and optimism.
- The revitalisation of physical energy.
- Heightened self love, acceptance and approval.
- Enhanced intuition, psychic protection, spiritual communication and discernment.
- The release of old, negative, karmic family patterns and conditioning.
- Improved digestion and circulation.
- Heightened self love, acceptance, compassion, unconditional love, sexual enjoyment, self confidence and approval.
- Assists with the forgiveness process.
- Reduced critical and judgemental tendencies.
- Improved clarity of speech and integration of information.
- Enhanced creativity and intimacy.
- Physical grounding, improved focus of attention and the reduction of scattered thoughts.
