## ABOUT OUR BEEF

All of our beef steaks are locally sourced from Australia's leading producers of high quality pasture fed cattle finished on grain for added taste and tenderness. We then ensure these prime cuts are aged for a minimum of four weeks prior to portioning as an extra guarantee in quality.

Meat Standards Australia (MSA) is the world's leading grading system for beef. MSA sets strict standards for tenderness, juiciness, and flavour so you can always enjoy a mouth-watering steak!
