What beautiful accommodation, everything we could possibly need.

You are very generous with the breakfast provisions, I would have to say this accommodation is the best so far, as this is our third time to Rutherglen. We will be back.

Last time I stayed in Rutherglen it was in a motel and we froze all night, last night was the complete opposite, you are to be congratulated on the comfort you provide in your beautifully presented cottage – we will return (and recommend to friends)

Thank you so much Dawn for such a wonderful haven. We enjoyed a night of luxury. The garden is a treasure and I meet a lovely frog on my way to hang out the washing in the dark, wish we could have stayed longer.
