

About Us

[Foote and Flame](#) is a proudly WA owned and operated business creating stunning and unique personalised gifts, keepsakes and cake toppers. Our aim is to brighten your loved one's day with a bespoke keepsake that is unique to their personality and taste.

We use premium quality materials and use a state-of-the-art laser cutter to engrave and customise your goods. We know how important these gifts are and that's why we won't send them to you until they're completely perfect. You are kept informed throughout the entire process from the initial order to design and build.
