ABOUT US

Fern Support was founded by a fellow NDIS participant with lived experience, as well as working clinically within the home care sector within disability, aged care and other insurance schemes. After experiencing a shortage of experienced support coordinators with capacity to provide ongoing support and understanding, Fern Support was founded to fill in the gaps!

Our mission is to provide compassionate and personalized support coordination.

We focus on quality over quantity, and therefore we provide the utmost care. We strive to improve the quality of life for those we serve, while prioritizing their safety and well-being at all times.

We offer:

Level 1: Support Coordination

Level 2: Coordination of Supports

Level 3: Specialist Support Coordination

NO WAIT TIMES AND EASY TO SIGN UP

Immediate capacity with no wait times - free initial consultation for all.

Make a referral via phone, email or online here:
