

# Finally, an Electrical Company that Guarantees...

- ✓ **NO DELAY - All service jobs booked within 5 days\* or it's FREE!**
- ✓ **NO MESS – We don't leave anything behind**
- ✓ **NO EXCUSES – If we can't fix it, there's NO FEE!**

If you are looking for a team of local electrical technicians you can trust and who understand the unique needs of you as Property or Body Corporate Managers, then the team at Fully Wired would love to assist.

We understand that when something needs fixing that it needs to be done quickly and safely, so we will work together with you and the tenants or Body Corporate to make this happen.

Our dedicated teams of Master Electricians have the qualifications and experience to provide you with a huge range of services and smart solutions for any job.

## 5 Reasons Why Property and Body Corporate Managers Choose Fully Wired...

### 1. Responsiveness

- All urgent jobs are attended to within 24hrs of receipt of the work order
- We call the contact person for the job within 24hrs of receipt of the work order
- Work order requests are completed within 5 working days of receipt or it is completed for FREE

### 2. Communication

- A dedicated Fully Wired team member is available via email and phone
- We phone with all site contacts within 24hrs of receipt of the work order (working day). If we cannot reach them within 48hrs, we will contact the Body Corporate Manager to advise and seek additional contact information
- We are proactive in providing any feedback of any other issues or concerns which may be identified while visiting a site

### 3. Quality products

- We only use the best and safest electrical products
- We take all the stress away by providing an extended **36 month guarantee** on all our electrical workmanship.

### 4. Customer Care and Safety

- We 'take care of it', so you don't have to
- We promise to always clean up after every job
- Our annual safety compliance services are managed internally to ensure all electrical legal requirements are scheduled and maintained as required
- You can count on us to be reliable and be an excellent representation of your company

### 5. Attention to detail

- Testing is a significant component of our service as we ensure all items and circuits we worked on are fully functional and as per the Australian Standards

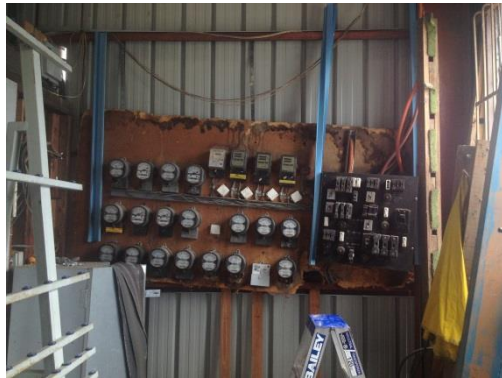

\*Except for under conditions out of FW's control. E.g. awaiting stock, weather restrictions, access issues

## Just Some Of The Safety Compliance Services We Offer:

1. Emergency Light Testing
2. Switchboard Inspections
3. Communal Lighting Maintenance
4. Safety Switch Testing
5. Smoke Alarm Testing
6. Test Tagging
7. Switchboard Upgrades
