

# Cheesecloth Care Instructions

**All of our cheesecloth garments are handmade and hand dyed.**

Therefore, please follow the below care instructions carefully to protect and get the most from your purchase.

- Always hand wash in cold water
- Wash dark colours separately
- Do not dry directly in the sun
- Never tumble dry
- Do not bleach

## ATTENTION

For your garments first wash, add 1 tablespoon of salt to a half bucket of water and wash gently, then rinse with plain water. Now, add fabric softener to a full bucket of water and again wash gently.

**For best results, gently ring out (by twisting) to remove most of the water and allow to dry in that shape. Your garment will keep the wrinkled effect when dr**
