price does not include German Cockroaches .  
Further conditions may apply contact us for more information

Hello,  
Today, we performed an environmentally friendly pest control treatment at your neighbours home to eradicate one of the following pests:

- Cockroaches
- Spiders
- Silverfish
- Ticks
- Rodents
- Fleas
- Ants
- Wasps/Bees
- Bed bugs

**Our pest control services are guaranteed**

Warranty periods, unless stated otherwise- Ants 3 months, native cockroaches 12 months, German cockroaches 3 months, webbing spiders 6 months, silverfish 6 months & carpet beetles 6 months.

We're looking forward to the opportunity of creating a safe, clean and pest free home for you and your family.
