Call Today For All Your Electrical Needs 0409 261 249

Prompt & Reliable

River City Electrical focuses on giving you realistic timeframes and being there when we say we will. You can count on us.

Quality Guaranteed

We make an effort to get the job done in the shortest time possible while still maintaining our high standard of work.

Safety Certified

Our electricians are all fully qualified, offering the best standard of electrical safety and up to date training.

Call Us Today

You'll receive service from electricians you can trust, at a price that you'll be more than happy with!

"I was really impressed with the service I received from River City Electrical. I'd called a few electricians before calling River City, and none had actually turned up. The electrician from River City Electrical was on time and was reasonably priced too."
