

We are a local Mackay business here to provide Asset Protection and Maintenance Services to YOU.

## **We can save YOU time and \$\$\$**

We believe every person and every job is unique...so is our approach!! We have combined the services of Asset Protection and Maintenance trades into a one call approach direct to the owner / operators. We will GET TO KNOW YOUR PROPERTY, we do the WORK OURSELVES.

Our services include, but are not limited to:

### **PEST MANAGEMENT**

We offer a fully qualified Pest Technician, with over 15 years experience. We use "A" grade product in accordance with Australian Standards. We work with you as to YOUR specific needs and discuss any recommendations, if required. Termite Inspections, Treatments, Barriers and Baiting will be available shortly, awaiting Company QBCC licensing.

### **FIRE PROTECTION**

We offer a fully qualified Fire Protection Service Technician. We are strong advocates that every property, including YOURS, have Emergency Evacuation Plans, Fire Blankets and Fire Extinguishers installed. This provides a further level of protection for your asset and also has the potential to save a life or lives.

### **CLEANING**

We offer a fully certified Carpet Cleaner and meticulous cleaners, we are extremely passionate about our work. There are many cleaning options available to cater to your needs.

### **GARDEN / WEEDS / LAWN MAINTENANCE**

But wait there is more...we also do gardens, weeds and lawn maintenance, we have got it covered with one call!

**YOU deal with ONE TEAM...we are OWNER / OPERATORS and WE DO THE WORK OURSELVES...we provide a TRADITIONAL CUSTOMER SERVICE approach!**

**We will GET TO KNOW YOUR PROPERTY.**

We offer fair prices a very reasonable minimal call out fees for smaller jobs. The work is catered to YOU, the PROPERTY requirements and NEEDS.

### **About US**

We are life partners who bring out the best in each other. We are dedicated to our service and after combining our 20 plus years of industry experience we were able to create a convenient, hassle free way to protect your assets.

We both love our work and being so hands on, we pride ourselves on the work we do, our friendly, personable service and fair pricing. Every property we protect we treat as our own. It makes us happy being able to walk away at the end of a long day knowing we have done the best we could to protect your property. That is what we call JOB SATISFACTION.
