

**Don't worry!
Just bring
it in to us.**

We'll fix it like NEW...SAME DAY!

Hello, I'm Heidi Muir.

We all know the feeling. Groan! Your pride and joy is scratched or scraped. And now your car has a horrible ... 'blemish'. But the worst is yet to come. You now have to find a *reputable* auto paint repairer who won't rip you off, won't keep your car for days, and won't do a shoddy 'patch up' job.

Well, here's the best news you'll get today! Now, you DON'T need to worry or 'do battle' with anyone. Bring your car straight to us at **HONEY I SCRATCHED THE CAR** for the most amazing, efficient, honest and professional service. We specialise in fixing scrapes and scratches like new.

And with our passion for customer care and quality, you get your car back **SAME DAY**, with repairs done to showroom standards by our craftsmen ...AND probably for a lot less than you'd expect to pay ...all without the hassles and stress.

How do we do it?

For a start, our founder has 30 years of experience. And a passion for sourcing the world's latest (and best) technology. We have it. You benefit from it.

So please ... Drop in or call me personally on 3283 1188. I'll be happy to meet you and to give you a no obligation estimate. Come on, let's bring the pride AND joy back to you & your car!
