HOW IT WORKS

OMG Booths loves making peoples events unforgettable! Our easy -to-use booth allows people of all ages to get involved and have a great time with memories that will last a lifetime!

Our booth is an easy to use touch screen with the latest technology, all your guest have to do is select either black and white or colour for there pictures then the booth will count down 3...2....1..

POSE—simple, it will take 3 pictures in a row and show you on the screen then instantly print out the double strips for you and your guest!

It uses professional quality flash and a DLSR camera that makes everyone look there best!

OMG Booths will produce the most spontaneous and hilarious photos that will have you and your guest laughing for hours. It's a fantastic icebreaker that gets everyone involved, we want you to enjoy the OMG experience!

Open Style Booth fits approx 10 –15 people

Closed Style Booth fits approx 5-6 people
