We make your flyers
UNJUNK MAIL

taking your
business
to the best
homes
in town

Our promise is to spread the name of your brand to bring you more business. Leaflet distribution is among the most effective and efficient way to promote your business to prospective customers. SURESHOT-SOLUTIONS can help you to get your message across in and around Sydney metro area. You can select your Target Market by choosing Specific postcodes, suburbs or specific streets as well. If you want to target businesses in business parks or industrial areas, then we can deliver your marketing material into their letterboxes or to their reception desk.

Our commitments

Unbundled distribution: no bundled distribution with supermarket 10-20 pages catalogues.

Exclusivity: we will not deliver your flier with any competitive company or anything bigger than the size of your leaflet.

Timing: choose your preferred time for distribution

Verification: we invite you to cross check while work is in progress.

Walker: all walkers are tracked by GPS device and monitored personally.

Proof: full GPS track report supplied and copy of the track covered on completion of deliveries will be provided on request. You can verify which street was covered.
