**Clog Tap** is a great workout! It's fabulous for fitness, co-ordination and rhythmic awareness – and its loads of fun. Our primary aim for your children is to have fun while learning the joys of dancing. Below are some policies to help us make this experience a wonderful one for your child and also for you as parents/guardians. We put these in place to help protect the comfort and safety of all our students.

**Fees:** Standard practice in dance schools is to charge tuition fees per term for children/teenagers. All term fees are payable 14 days before term starts. All classes are held by the term and we don't give refunds or credit for missed classes. If you do not receive an invoice by email, please let us know. It is up to the parent/guardian to make sure term fees are paid on time. We prefer payment by bank deposit. Adult classes are on a pay as you come basis, although we do ask for the \$10 Club Registration Fee and the \$20 ACA membership fee to be paid upon enrolment or after your first few lessons.

**Dress Code:** We understand that younger students may be coming to class straight from School, so we don't specify a dress code. For all students, the main criteria is that as the teacher does need to see all students' feet, long pants are not desirable. Hair pulled back for children and a clean, neat and well groomed appearance is really all that is required for general classes.

**Shoes:** Tap Shoes are a definite must for classes. As the younger children (8-12) grow out of their shoes quickly, rather than putting extra burden on parents, we have decided to have shoes for hire at \$10 per term. This shoe hire is compulsory for this age group as they will enjoy making the sound of the tap as they learn. The shoes must stay with the dance club, so please ensure your child does not take them home with them. For the teenagers, as they won't grow out of them, we have tap shoes available for purchase at a very reasonable price. Please discuss this with us if they don't have tap shoes already.

**Picking up and dropping off your children:** Please ensure that your children are escorted into the building before class and at the end of the lesson, instruct them to wait for you inside the building. To protect your child, no children should be outside for any reason unaccompanied. Please sign the attendance sheet upon arrival at each class.

**Medical conditions:** Please advise us of any known pre-existing medical conditions or if your child develops any ailment. If there is a medical condition, please obtain medical advice before beginning or continuing classes. We are not responsible for ascertaining the suitability of our activities for any particular student. Any physical activity carries a risk of injury. We do however take all care, but we accept no responsibility for any harm, loss or damage caused to person or property while engaged in club activities or on our premises.

**Lost property:** No responsibility will be taken for items lost, stolen or broken during class. Clearly name all property. We keep a "lost property" box in the hall for a term only.

**General:** To keep your children hydrated, please provide bottled water for class. As some children have food allergies, we do not allow any food in the class. We expect all students to exhibit good conduct at all times. We reserve the right to refuse or cancel a student's enrolment for any reason deemed necessary for the welfare of the Dance Club, staff and other students.

**Parents Viewing:** Invitations to view classes will be at the last lesson of each term only.

**Page 2 - Club Policies. Please read carefully and initial your acceptance on the front page of the enrolment form.**
