Reiki Workshops

S'Roya teaches all Levels of Reiki in separate Seminars. They are held at the Gold Coast, on Tamborine Mountain at varying venues. To book please contact her via...

email: sroyarose@mail.com
or phone 0422361040

Reiki level 1 seminar takes two days. The student learns the history and lineage's of Reiki. You will receive 4 attunements, which enables you to channel Reiki healing energy. The hand positions for self-treatments & how to treat others is taught and practiced. Other relevant knowledge about the aura and chakras is covered along with how the energy works helping you become aware of the human energy system. Basic symbology and other metaphysical information is also taught for use with Reiki. Cost is \$300

Reiki level 2 seminar takes two days. You learn how to project, beam and send this energy which concentrates mainly on absent/distance healing. S'Roya teaches the use of crystals and their healing properties with Reiki. Level 2 sees huge leaps occur in personal transformation, as it embodies looking at your own mental and emotional issues. Reiki 2 often helps with letting go the past and outdated attitudes and learned negative behavioural patterns (often from childhood) that are dysfunctional in your life. Cost is \$300

Masters/Teacher level is a 3 week intensive course. Usually it is only contemplated once a certain level of self-awareness and metaphysical preparation is achieved. Mastership helps give more direction and purpose on a spiritual level and embodies an impulse towards achieving your souls highest goals for this lifetime. Masters signifies a new beginning as one begins to live consciously their spiritual life, as a healer and teacher of Reiki. Much will unfold to thrill and delight those who tread this special path Cost is \$2250
