

T.C. Group

Corporate Profile

1

- Operational since 2004, the T.C. Group of companies encompasses a number of distinct businesses involved in the following areas:
 - Commercial building and construction
 - Residential homes
 - Maintenance and renovations
 - Building supplies
 - Raw materials
 - Demolition services and asbestos removal
 - Plant hire
- Our mission is to be a highly regarded industry leader and the best in all our fields of expertise.

About Us

2

- We are proud to be known locally as an employer of choice and have exceptional talent and extensive experience within our team.
- Team members have worked on projects as diverse as the Sydney Airport and Cairns Base Hospital and for companies such as Theiss and Abigroup.
- We actively support the Australian Apprenticeship program and currently employ a number of apprentices at various stages of training and maturity.

Our Team

3

- Managing Director **Chris Watt** has many years of experience in the building and construction industry of North Queensland.
- He commenced his apprenticeship with one of the area's most highly skilled and sought-after building companies and by 2003 was Director and General Manager of a well respected and prestigious Mission Beach building and construction business.
- In 2008 he seized the opportunity to develop his own business and now owns the T.C. Group.
- Chris prides himself on his quality workmanship, attention to detail, knowledge and passion for the industry.

Building Awards

15

- We have a dedicated raw materials and building supplies yard located at Mission Beach. Servicing both the general public and construction professionals, our aim is to provide an extensive range of building materials and supplies. Our products include masonry blocks, pavers, landscaping supplies, pots, garden ornaments, sand, wood, mulch and stone
- We also offer a full-service pool testing facility and stock all pool supplies necessary for pool maintenance.

Raw Materials & Supplies

16

We are highly skilled and experienced in demolition and asbestos removal. All safety precautions are taken care of by our in-house safety team. This enables us to operate throughout Queensland in areas hard to access and difficult to operate in.

Demolition Services & Asbestos Removal

17

- Tropical Coast Plant Hire ensures all our customers have the plant vehicle support they require. We operate an extensive fleet of plant vehicles from our base in Mission Beach, servicing the whole of North Queensland. We pride ourselves in the quality of our vehicles and the reliability of our service.
- Plant hire available includes bobcats, backhoes, excavators, trucks, truck and dog, cement trucks, water trucks, trenchers and forklifts.
- All plant hire is provided with an experienced operator.

Plant Hire
