Dear Tony,

I wish to pass on my thanks and congratulations to you and your team for a job well done at Eyebiz.

UBEECO's professionalism, management, co-ordination and experience, backed by skilled and conscientious staff, saw the successful delivery of our project.

This project involving the wrapping, packing and crating of 131 crates and furnishings, containing over 8100 items, followed by the filling of seven 40' shipping containers, exceeded both schedule and budget expectations.

This was a significant task completed to the highest standards.

Well done and thanks again.

Regards,

Grant McMahon
