*The only vehicle suitable for 3 days or more. The charge for the 3 days only for this and previous charges. Conditions apply.

Birth of a brand:

Bringing it all together for Kitchen Connection

MaxWicks and Avonnet's design kitchen company collaborated to launch a new national brand in the quality kitchen appliance market.

Byline: Helen Johnson, 2004 • **Photo:** Robert Walker, 2004 • **Illustration:** Robert Walker, 2004

MaxWicks and Avonnet's design kitchen company collaborated to launch a new national brand in the quality kitchen appliance market. The company's mission was to create a brand that was both stylish and functional, offering a wide range of kitchen appliances that could be used in a variety of settings. The company's success was due to its focus on quality and customer service, as well as its ability to create a strong brand identity.

The company's mission was to create a brand that was both stylish and functional, offering a wide range of kitchen appliances that could be used in a variety of settings. The company's success was due to its focus on quality and customer service, as well as its ability to create a strong brand identity.
