

Seal Effect

Stone & Tile Polishing

Whether it's a new installation or you want to bring your existing stonework back to it's former glory - we are experts in finishing stone, tiles and concrete.

We have extensive experience in all manner of jobs ranging from major shopping centre flooring to simply repairing that scratch on your kitchen benchtop or stain on your polished floor.

We take immense pride in our workmanship, honesty, reputation and our enviable work ethic.

We will turn up as promised and we will listen to you!

Call or email us now for a free no-obligation quote
