

# School Readiness Groups

Get Ready for Big School with Speech-Language Therapy!

Small groups of children will learn the important skills needed for settling in with the best start for *Kindergarten in 2015*

## One Speech Pathologist for every four children!

- To teach classroom communication and participation skills
- Assist them to understand the types of instructions and questions that they will hear at school
- To help your child express their ideas using age appropriate words and sentences
- Learn concepts such as rhyming, syllable division and sounds; these skills are essential pre-literacy skills
- Listen to and tell stories in preparation for telling news and stories to new friends

This group will facilitate an important introduction to the education system and ease your child's transition into big school
