The economy service is ideal for a fresher on a budget, or rental clean. Approx drying time 6-8 hours. This is the only service not covered by our 100% satisfaction guarantee.

See www.surfacemaster.com.au for our service level comparison

Great service. **Fair prices. It's what we do.**

Your carpet is a filter!

One of the greatest, but often overlooked benefits of carpet is its contribution to **healthier** indoor air quality. Your carpet is just like your air conditioning filter that filters out airborne soils that pass through it. If you do not clean your carpet on a regular basis, the filter becomes full.

extract years of **grime** from your tiles & grout

Tile Clean

Extract grime & contaminants from deep within the pores

- Revive your tiles and grout
- The latest technologically advanced cleaning equipment

Tile Seal

Grout is porous and should always be sealed

- Protect from discolouration and staining
- Prolong the life of your grout
- Suitable for sealing new or cleaned tiles
- Ask us how to check if your tiles need resealing

No obligation inspection & quote. Specialised grout recolour service coming soon!
