WELCOME TO BEARE MUSIC

Music is an amazing, enjoyable and essential part of human life and our aim is to help you progress in your musical goals this year.

My name is Kym Beare and I love music. I have personally studied music for 26 years with a particular interest in composing, recording and performing music in the styles of rock, blues, country, pop and jazz.

I studied at the Southern Cross University completing a Bachelor of Contemporary Music, majoring in composition, which I followed with a Graduate Diploma of Education. For 12 years I have worked in various roles in schools including Creative Arts coordinator, classroom music teacher, band director and coordinator of music technology.

PERFORMANCE OPPORTUNITIES

Beare Music believes that performing with other musicians and before an audience is an essential motivator in learning an instrument. I invite you to get involved in the half yearly and yearly concerts which will be held to enable students to experience the joy of performing live and to develop skills in stagecraft.

From time to time, photos may be taken of performances to share in Beare Music promotional materials.

STUDENT REQUIREMENTS

Beare Music caters to beginners through to advanced musicians. Prerequisites include a passion to learn and an eagerness to develop skills and knowledge. It is highly desirable that students have access to an instrument to practice on.

COURSE OF STUDY

As a tertiary trained teacher with extensive experience writing curriculum, I can tailor an individual course of study to each student's needs and interests. Alternately, students may opt to study the relevant Australian Music Examinations Board (AMEB) course with the option to prepare for exams and receive nationally recognised qualifications.

Each individual program will also include instruction in equipment use, care and maintenance (where applicable).

STAYING IN TOUCH

Frequent communication is encouraged. Feel free to contact me for a chat or to discuss your progress. 'Like' Beare Music on facebook to keep up to date with all that is going on.

FEES

- Individual lesson per 30 mins: **\$30**
- Shared lesson (2 or more) per 30 mins: **\$15** (availability dependent on demand)
- Fees are paid by the term. It is important for students to make a minimum commitment of one term in order to foster an attitude conducive to study and allow time for skill development to occur.
- All missed lessons must still be paid for. However, if a weeks notice is given an alternate lesson time can be arranged. If no notice is given, the lesson will be forfeited.
- The first lesson is free. During this lesson the student's goals are discussed, the course of study planned and term fees invoiced. Fees are payable on, or before, the second lesson.
- Payment methods include cash or bank deposit.
