

Company Overview

Bay & Beyond Plumbing is a registered organisation focused on providing high quality plumbing services to all their customers, from general plumbing and gas maintenance to complete home renovations.

Bay & Beyond Plumbing is committed to providing a service that constantly exceeds the expectations of our customers, domestic and commercial. We achieve this by being reliable, timely and particular about the quality of our services.

Based in Melbourne, Bay & Beyond Plumbing considers every job an important one, taking into consideration the individual needs of our clients. At Bay & Beyond Plumbing we pride ourselves on our quality tradesmen who are conscious of their surroundings, polite and well-mannered and who will respect the people and environment around them.

At Bay & Beyond Plumbing we strive to provide you with a professional plumbing service at the highest standard, all around the bay and beyond!

We welcome feedback and constantly aim to improve the overall quality of our operations.

Services

At Bay & Beyond Plumbing we offer a wide range of services to accommodate the needs of many different clients. From household maintenance to commercial properties, we are able to provide a service to do it all!

Services we offer:

- ✓ **Unblocking drains with the use of specialized equipment**
- ✓ **Emergency repairs and maintenance**
- ✓ **Gas services with a gas certification by a licenced plumber**
- ✓ **Roofing services including leak detection, guttering & replacement or installation of roof sheeting**
- ✓ **Full or partial home renovations**
- ✓ **Outdoor and garden services including rainwater tanks**
- ✓ **Drainage and sanitation services (above and below ground drains)**
- ✓ **Rubbish Removal (inclusion specified at time of quotation)**
- ✓ **Ability to hire additional equipment including excavators and earthmoving machinery**
- ✓ **Safety trained and OH&S Compliant**
- ✓ **Trade waste and grease arrestors/interceptors**
- ✓ **Hot water system installation and maintenance**

Ask us if you have a tricky question, we are always willing to help!

Testimonials

“Nick was a great asset to the maintenance team at the Royal Marsden Hospital. He was prompt, reliable and very conscientious about his work. He was always happy to take on whatever the task at hand.”

Ian, Maintenance Supervisor, Royal Marsden Hospital, London

“After a problem at our new property we were advised by a leak detector to get a plumber. Nick came out promptly, not only did he fix the problem to our satisfaction, he was also able to work out and explain to us the complicated arrangement of the drainage system, something two Leak Detecting companies were unable to do!”

Frances, Langwarrin South

“Bay and Beyond were great. We hired Nick to renovate our bathroom and he was really knowledgeable, always very prompt and kept us informed with the developments, which was really great. Everything went really well and we have a beautiful new bathroom to prove it!”

Jade, Black Rock

“Nick was recommended to us by a friend, and when we had a leaking toilet he was the first person I called. He came out after hours with no fuss- and didn't charge us a fortune either! He did as much as he could to stop the leaks and came back a day later to replace the parts. He really knew his stuff. I'd be more than happy to call on him again and I've already passed on his details too!”

Craig, Brighton

Company Information

We are equipped with all of our own vehicles, tools and standard materials. When required, we are able to hire additional equipment for specific works. Major rubbish removal can be arranged at an additional charge. We are a fully licenced, registered and insured organisation.
