Corporate DVD's

Training, promotional, documentaries, safety, corporate DVD's

Commercial/Industrial Photography

Whether it's out on a mine site, underground, on a oil rig, hanging out of planes or in a crane way above the ground - Dragonfly Media has the experience and the qualifications to get those shots you need.

3D Animation

Character, technical or logo animation, Dragonfly Media's in-house 3D animator can do it for you.

Special Events

Presentations, photography or video can make your special evening really stand out.
