**04 Lock Windows**  
Fit locks to accessible windows.

**05 Secure the Front Door**  
Fit a deadlock, door viewer and a strong security chain to the front door.

**06 Connecting Doors**  
Deadbolt all external doors including the connecting door between the garage and the house.

**07 Safety Feature Deadbolts**  
**LOCKALERT**™ and deadbolt safety features reduce the risk of being locked inside in the case of an emergency such as a fire.

**08 Trim Shrubs**  
Keep shrubs trimmed so that they do not cloak any intruders' activities. Display warning signs.

**09 Secure the Back Door**  
Levers or key and knobs should be used in conjunction with a deadlock. The back of your house is often more vulnerable than the front.

**10 Secure Gates**  
Secure gates with a quality padlock and a strong cable or chain.

**11 Patio Doors**  
Fit sliding door deadlocks with an anti-lift device to sliding patio doors. Fit patio bolts to deck or patio doors.

**12 Secure Gates**  
Secure gates with a quality padlock and a strong cable or chain.

**13 Patio Doors**  
Fit sliding door deadlocks with an anti-lift device to sliding patio doors. Fit patio bolts to deck or patio doors.

**01 Garage Door**  
Lock the garage - a closed shackle padlock with a strong hasp and staple will provide extra security.

**02 Lock Letterbox**  
Lock your letterbox with a padlock.

**03 Install Lighting & Alarms**
