

MAURICE MEADE

Welcome to Maurice Meade

At [Maurice Meade](#), we're at the forefront of the hairdressing industry and are one of Australia's most reputable brands.

Since we opened our doors in 1974, we've had over 40 years of experience redesigning, reshaping and creating beautiful hair and now have 8 salons located across Perth.

Our stylists, colour technicians and makeup artists are all trained to the highest standards and embrace the Maurice Meade brand and ethos. We believe in always putting our customers' needs first – a belief which has instilled trust within our clients for many years.

We understand the fashion industry is forever changing and capitalise on this by ensuring our staff are equipped with the latest skills, are on-top of the latest trends and have the ability to adapt these styles into your personal brand.

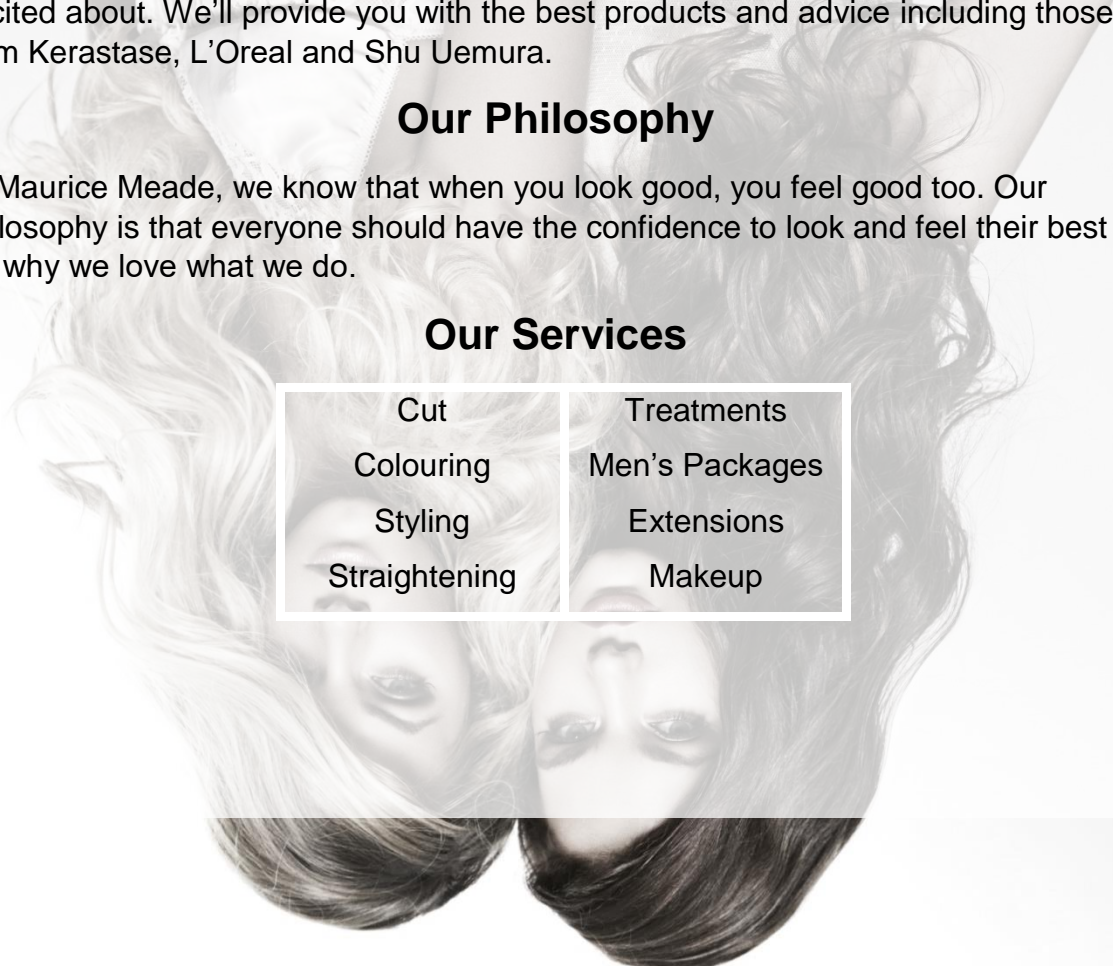

The Maurice Meade experience is one you should be able to enjoy, embrace and be excited about. We'll provide you with the best products and advice including those from Kerastase, L'Oreal and Shu Uemura.
