Making the most of your products

SCRUBS

- WET SKIN THOROUGHLY BEFORE USE
- Mix with your facial cleanser or shower gel to exfoliate as you cleanse!
- Leave scrub on for a moisturising face mask
- USE 1-2 TIMES WEEKLY OR AS NEEDED

SOAKS:

- **HAND / FOOT SOAK:** 1 tblspn added to a bowl of warm water
- **IN THE BATH:** 1-2 table spoons in a muslin bag added to a warm bath. Open the bag to release the beautiful botanicals if desired.
- **AS A SHOWER BAG:** 1-2 table spoons to a muslin bag, soak in hot water for 10 minutes and allow oats & botanicals to soften. After washing, use the muslin bag as you would a face washer for a delicious pampering finish.

PLEASE TAKE CARE, OILS IN THE SCRUBS MAY MAKE BATHING SURFACES SLIPPERY
