Klimek & Co Family Lawyers – About us

[Klimek & Co Family Lawyers](#), one of the largest family law firms in Western Australia, has proudly been offering Perth city expert law advice since 2005.

Our team of professional lawyers will always put your needs first and strive to achieve the best possible result for you and your family. All of our lawyers are qualified barristers and solicitors who may appear in any Western Australia court as well as the Family Court of Australia and the High Court of Australia. Our team is assisted by highly skilled secretarial, paralegal and administrative staff as well as extensive resources to ensure our lawyers have everything they need in order to provide the best possible service to our clients.

Our lawyers are willing to represent you, no matter how hard the case may be, whether it's routine procedure of requiring complex litigation and expert advocacy. Although we're a Perth based firm we're willing to represent clients that are also interstate or international.

The difference between Klimek & Co Family Lawyers and competing firms is that we're able to reduce your legal costs as our highly experience counsel is In-House. We're also the Pro Bono Partner of the Norther Suburbs Community Legal Centre meaning that, on a weekly basis, we commit our time and resources to clients with family law matters at no cost.
