Our Services

Specialising in Commercial and Office Cleaning Brightside Cleaning offers a second to none boutique cleaning services to Perth and the surrounding areas.

We come fully equipped with our own cleaning products and equipment including pack back vacuums so we are efficient and you don't need to worry about supplying anything.

Cleans can be programmed daily or weekly at convenient times to suit Client needs. As we are a small family run business you will have the same cleaner of same team of cleaners at every visit to maintain the continued quality of our service.

Unlike most cleaning companies we are not a franchise and do not require you to sign any contracts.

For your assurances we are covered by Public Liability Insurance and Police Clearances and provide Method Statements and Material Safety Data Sheets for all projects.

Key Personnel

Yumi Yang – Business Owner

Yumi's South Korea background brings a great work ethic to all Brightside Cleaning Contracts.

She is renowned for attention to detail and reliability and has many happy clients.

Her personality shines through in her work as is guaranteed to brighten up any contract.

Alistair Horsfall – Business Secretary

Alistair has 15 years experience as a Building Services Engineer and Consultant both in the UK and Australia and provides technical and business support to the team.

He is responsible for Occupational Health and Safety and Quality Control as well as Business Development.

His Engineering background ensures Brightside Cleaning operates professionally and efficiently.
