TAKii™

No Surface Damage

Shock Absorbent

Washable & Removable

TAKii™ is a range of new generation self-adhesive products that are environmentally friendly and easy on surfaces.

The evolution of re-usable adhesive has arrived, and TAKii™ is ready to fix to most surfaces and has the capacity to hold more than double its own weight.

TAKii™ comes in a variety of sizes and colours, including an exciting range of corporate branding opportunities.

TAKii™ is not afraid to tackle other office and household fixing dilemmas!

With branding options that are unique in the marketplace, we offer the ability to print customised individual TAKii™ units that are all different while maintaining bulk pricing. This opens up a plethora of exciting, witty and engaging ideas for marketing and advertising purposes.
