CLIENT TESTIMONIALS

We have been working with PRORAX for almost three years, during which time they have been involved on numerous varied projects like; Concrete repairs, Window cleaning, Silicone joint work, Anchor point installation and Certification. We are extremely satisfied with the standard of work carried out and the management controls that are in place. Their expertise in the skilled building trades as well as the abselling element has been very impressive.

Regards
Kevin Mackay
Director
Centennial Trade Services Pty Ltd

We appointed PRORAX for rope access window cleaning on our two premises, David and his team did a fantastic job, they provided a professional service and quality workmanship. They were polite, reliable & delivered to timescale. I would highly recommend them.
