PRACTICAL BATHROOM RENOVATIONS

Featuring an ultra-modern layout, incredible use of space and a beautiful sleek design, this bathroom is the perfect example of the high quality of work produced by On The Ball Bathrooms.

The owners of this property approached On The Ball Bathrooms with a request for a bathroom that maximised the use of the available space. In terms of design, the request was made for a modern style to contrast with the look of their rural acreage property.

Stylish and contemporary, this bathroom showcases a mixture of attractive earthy colours, ensuring the room always looks new and fresh. The large format tiles allow for maximum drainage and easy cleaning of grouting, while the greys and steel of the rain shower give the bathroom that extra edge.

Utilising nothing but the best water saving devices, this bathroom employs shower heads, taps and mixers containing water-saving filters.

The renovation of this bathroom was not a simple task – with the mission of removing a full-height wall, and moving the plumbing from the floors into the walls for easier access. On The Ball Bathrooms succeeded in its mission, producing this stunning and functional bathroom.

On The Ball Bathrooms is one of Perth's leading bathroom renovations companies. Providing personalised and efficient service, the company specialises in complete bathroom renovations, from start to finish.
