## Melbourne Wholesale Flower Market in Epping

Each Saturday, before the sun rises, the National Flower Centre at the Melbourne Wholesale Market in Epping fills with growers, wholesalers, agents, florists & event planners all trading masses of local and imported cut flowers, foliage, orchids and other potted plants.

The second half of the tour is your opportunity to take photographs, make souvenir purchases, enjoy a hot beverage and check the latest trends in floristry supplies.

## The Tour

Saturday trade in the market starts at 4:30am. C the Market Tours begin promptly at **5:45am**. The first hour of our walking tour is a fully guided wander through the trading warehouse, meeting the traders, the buyers, and enjoying the flurry of activity.

Closing time of the market is 7:30am, as the trucks are reloaded with the unsold buckets of blooms, to be sold elsewhere. We gather our own purchases, take some last minute photos, and head back to our starting point to finish our tour around 8am.
