COCKTAILS

I CARRIED A WATERMELON 18

When **Margarita** dirty dances with Watermelon, you better look out. Using premium **Don Julio Tequila**, shaken with a hint of sweetness and garnished with fresh mint, this mouth watering cocktail will put the Patrick in your Swayze.

PHOENIX RISING 17

We've ensured this iconic venue has risen from the Phoenix's ashes and this cocktail celebrates the occasion through a match made in heaven comprising Citron **vodka** and a splash of **Aperol**.

THE FABRIZIO 16

The Fabrizio is the ultimate wingman to the Phoenix Rising. Taking the form of a **classic passionfruit Caprioska**, this studly little cocktail beckons you to kick back and get a little Fab into you.

COCKTAILS

FLUFFY PHOENIX 18

Boasting a split personality of both sweet and sour, this cocktail brings together the zing of **grapefruit juice**, **passion fruit** and charm of **Liquor 43** with a vanilla aroma. Perfect for a walk on the wild side.

HENDRICK TWIST & SHOUT 18

The world has fallen in love with Gin all over again and after this little beauty meets your lips you'll see just why. Brought to life using classic **Hendricks Gin** and **muddled grapes** this is a signature favourite we know you'll love.

APPLE GERMAIN 17

Using classic **St Germain**, **fresh apple** and **cider**, this unique beverage offers just the right hit of sweetness to make it your new BFF of the cocktail world.

STRAWBERRY MOJITO 16

Real men might not eat quiche, but they totally gag for Strawberry Mojitos. With our own twist of the **Australian Stolen Rum** range and **strawberries**, this innocent looking cocktail has a sinister side that gives it more street cred than McGyver.

LYCHEE STYLIN' 18

As the supermodel of cocktails, this delectable choice works the runway like Naomi back in the '90s. Think **lychee liquor** mixed with **Tanqueray Gin** and topped off with bubbly **prosecco** and you've got yourself one hell of a fierce cocktail made especially for girls who run the world.

GREEK ISLAND ICE TEA 17

Long Island ice Teas is so 2001, so we're bringing some much needed Mediterranean swagger to the table with our very own version of this classic cocktail. Don't ask too many questions, just trust the Greeks and order it.
