

RAM
lukad
+ yevod

Ram tapware and mixers have always delivered the perfect balance of contemporary style and quality. This legacy continues in the Luka and Yeva ranges with the introduction of the world's first brass cartridge, delivering smoother operation and longer life, available in a huge range of configurations to suit every need. Create a bathroom that feels as good as it looks with Ram.

All Ram Luka and Yeva products are available in the following colours:

Black

White

Green

Blue

Red

Orange

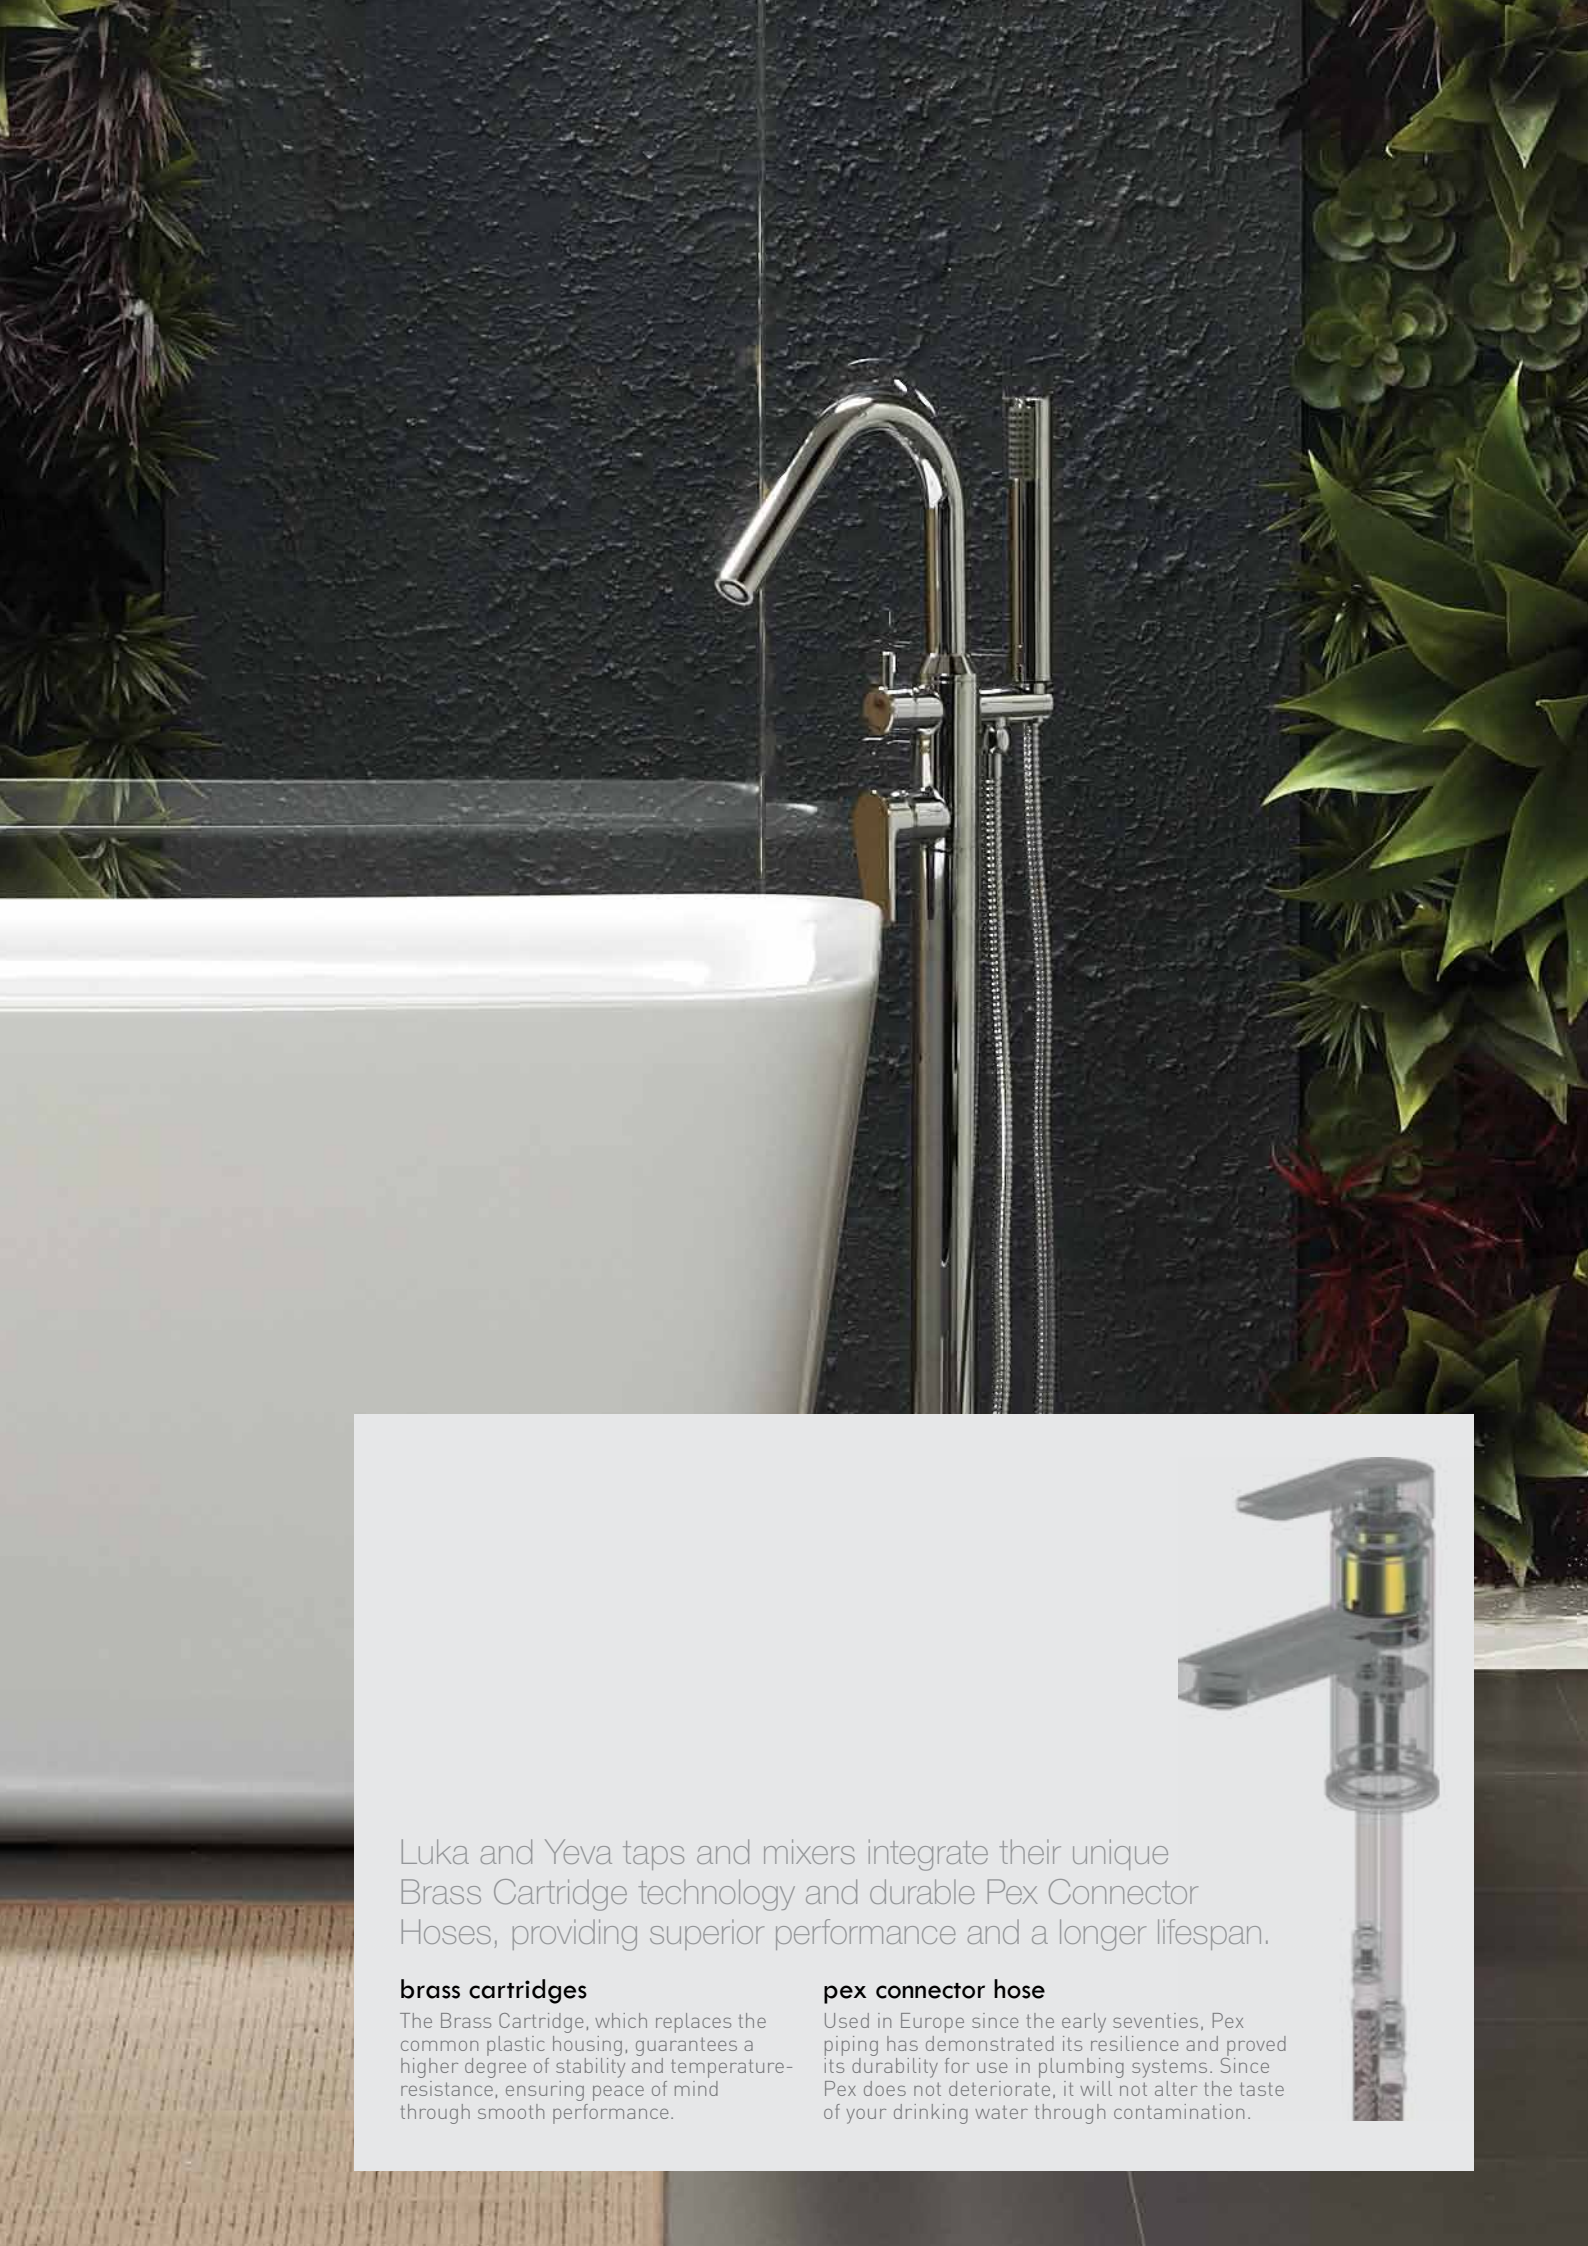

Pink

Yellow

PRODUCT QUALITY GUARANTEE

Ram tapware and mixers are covered by a 15 year product replacement warranty. To see the full Reece Product Quality Guarantee, visit www.reece.com.au/warranties

Luka and Yeva taps and mixers integrate their unique Brass Cartridge technology and durable Pex Connector Hoses, providing superior performance and a longer lifespan.

brass cartridges

The Brass Cartridge, which replaces the common plastic housing, guarantees a higher degree of stability and temperature-resistance, ensuring peace of mind through smooth performance.

pex connector hose

Used in Europe since the early seventies, Pex piping has demonstrated its resilience and proved its durability for use in plumbing systems. Since Pex does not deteriorate, it will not alter the taste of your drinking water through contamination.

LUKA

Integrating soft lines and subtle details, the Luka collection is all about refinement and sophistication.
When style matters, make it Luka.
