

PULSE BUSINESS SERVICES PTY LTD

ACCOUNTING SERVICES

- Locum CFO Services to cover short term vacancies and peak load periods
- Contract Service specialised for businesses that have grown to require **more** than a book-keeper, but do not need a full time Chief Financial Officer
- Special Projects requiring a broad range of financial and system skills, such as information system implementation, migration, integration or change management

To discuss your requirements, please contact Patrick Murphy, with over 2 decades experience in industry, government and public practice.
