Thank you for your enquiry on the Preston Village Chapel. We would be honoured to help celebrate your special day.

The Chapel was originally St David's Anglican Church at Omanama and then moved to its present site at Preston in 2006. It has been lovingly restored by the Middleton family and is now used as a non-denomination Chapel for weddings, namings, christenings, funerals and other special ceremonies. The Chapel comfortably seats 100 with the option of adding extra seating for additional guests.

You also have the option of using the grounds for outdoor weddings. We have a lovely gazebo which is available or the option of having a garden wedding under one of our beautiful trees.

We can also assist you by providing contact details for celebrants and ministers from different faiths.

Please contact us if you require any further information or would like to make a booking.

We look forward to celebrating this special occasion with you.

Kind Regards,

Preston Village Chapel Management
